SANDIA GRIT

"NEWS OF SANDIA HEIGHTS"

PUBLISHED BY SANDIA HEIGHTS HOMEOWNERS

May 15, 1980

To Sandia Heights Homeowners:

The end of the fiscal year for our Homeowners Association is June 1, 1980.

Your Board of Directors has called the Annual Meeting for Thursday, June 4, 1980 to be held at the Firehouse. The time. 7 PM.

Three seats will become available. each for a three year term. Going off the Board will be: Anita Miller, Dr. Bob Reidy and myself. The Board will hold a meeting sometime before June 4, 1980 to nominate replacements to the Board. If you are interested in serving, please call Tom Herrlinger at 299-5557.

The playground grassing program is in progress and with an automated sprinkler system, the total cost will be approximately \$9,000.

This program will leave our treasury \$3,000 plus in the red. We will be sending out our requests for annual donations within two weeks. If everyone contributes we will have enough to pick up the deficit and perhaps begin another project (a bike and jogging path around the area and along tramway?).

The maps of our area have been completed, thanks to Bob Hoffer, and will be sent to all who donated in the past.

My special thanks to the present Board for a good year.

The present Board consists of:

- Don Letherer, President
- Anita Miller, Vice President
- Stu Seneff, Treasurer
- Tom Herrlinger, Secretary
- Bob Reidy, Director
- John Warner, Director
- Jon Otten, Director
- Bob Murphy, Director

A special thanks also to Jim Ciraulo for continuing to edit this Newsletter.

Sincerely,

Don Letherer
President

GUARD SERVICE

Our Guard Service has been increased by 15% giving us coverage every night. We have received many reports on the varied uses our guards have performed. To keep up this service your moral and financial support are a must!

CATS. CATS. CATS

The GRIT is getting complaints about cats killing the wildlife in the area. Please remember that all animals are to be contained on your own property.

SCHOOL IS OUT FOR THE SUMMER

Please, Please drive slow on our roads. The children are riding their bikes. and playing ball in the street. especially since the park is closed, so be on the look out for them. We wouldn't want any of them to get hurt this summer. Don't be afraid to speak to a neighbor about their driving habits or their childrens or their friends. It might be your child's life you save!

WARNING: New and Old Homeowners beware

There are people posing as "landscapers" in this area. Be sure you buy from a reputable business firm with an established business address and demand a written guarantee for each tree or shrub planted. It should state for what period of time and for what failure: death of plant? uprooting by windstorms? disease? etc.

Several yuccas have been planted too shallow for this area (6 inches). After nine months when they were blown down by the wind storm, the local so called "landscaper" who planted them and guaranteed them for a year refused to replant them. We hired professional people who put them back at 18 inch depth and staked them securely - at our added expense!

MESSAGE FROM M. BUTLER

The Sunday paper will be delivered later since several papers have been missing lately. Ms Butler said that someone is picking them up after she has delivered them to your house. If you see someone suspicious around your house in the morning, call the guard or try to get a license number or description of the car.
